FOR IMMEDIATE RELEASE

Comfort Zone Heating & Cooling Launches Community Food Drive to Support Local Families in Need

Canton, Georgia – April 3rd, 2025 – Comfort Zone Heating & Cooling is proud to announce the launch of a community food drive to help support local families in need. As part of our commitment to giving back, we invite our customers, neighbors, and community members to join us in making a meaningful impact.

From April 3rd to May 23rd, we will be collecting non-perishable food items at 2905 Marietta HWY Canton, GA 30114. All donations will be delivered to MUST Ministries located in Canton GA, ensuring that families facing food insecurity receive the support they need.

“Our community has always been at the heart of what we do,” said Emma Goodwin, Marketing. “This food drive is one way we can come together to make a real difference. A small act of kindness—like donating a can of food—can go a long way in helping those in need.”

We encourage everyone to participate by donating essential items such as canned goods, rice, pasta, and other shelf-stable foods. Every contribution matters, and together, we can bring hope and nourishment to those who need it most.

For more information on how to participate, please visit:
