FOR IMMEDIATE RELEASE

Comfort Zone Heating & Cooling Now Offering Plumbing Services

Cherokee County, GA — 9/23/2025 — At Comfort Zone Heating & Cooling, our mission has always been simple: to be the heroes in people's lives so they can focus on what matters most. That's why we're excited to announce that, in addition to heating and cooling, we now offer plumbing services to keep your home running smoothly.

From leaks and clogs to water heater repairs and new fixture installations, our team is here to take the stress out of plumbing problems. Just like with your heating and air cooling, you can count on us for honest recommendations, dependable service, and care that goes the extra mile.

This year, we were humbled to be named Cherokee County's 2025 Family-Owned Business of the Year—an honor that reflects the trust our neighbors place in us. Expanding into plumbing is one more way we're living out our promise to serve our community and bring comfort to every home.

Need a hand with plumbing or heating and cooling? Visit <https://comfortzone.cool> or call 770-213-2665.

About Comfort Zone Heating & Cooling

Family-owned and proudly serving Cherokee County since 2007, Comfort Zone Heating & Cooling is dedicated to providing comfort, peace of mind, and reliable solutions for local families. With heating, cooling, and now plumbing services, we're here to be the heroes you can count on—so you can focus on what matters most.
